EQUIPMENT LTD.

2 TON UTILITY WAGON & FLAT RACK

The MARKET 2 TON UTILITY WAGON features 4000 lb. hubs with 1 $\frac{3}{4}$ " spindles & 20.5 x 8-10 6 ply tires.

Designed for it's strength, this little unit works well behind your ATV, UTV or compact tractor.

The MARKET FLAT RACK is 55" wide x 98" long with an overall height of 27". The front & rear racks are adjustable. Simply, pull the pin to change the positions. We have also built a small rocking bolster into the front of the rack to allow for flexing on uneven ground.
